

Should you find yourself unable to participate in a course for which you registered on OnTrack, please be sure to withdraw from the course. This will allow people on the wait list to move up and possibly get into the class. It also notifies the instructor not to expect or prepare for you.

1. > **OnTrack** - <https://usoe.truenorthlogic.com/ia/render.userLayoutRootNode.up>
2. > **Log in** using your
 - a. Firstname.lastname
 - b. Cactus I.D.
 - i. To find your Cactus I.D. - click [here](#).
3. > **Select My Learning Opportunity Detail** -

4. > The courses for which you are registered should be listed here.
5. > **Select Actions**

6. Select the class from which you wish to withdraw.
7. Select **Remove**. (down arrow)
8. You will then be asked to confirm that you do indeed wish to withdraw from that course.
